DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of William Henry Tiger, as a citizen by blood of the Creek Nation.

D E C I S I O N.

The record in this case shows that on May 15, 1906, application was made, in affidavit form, for the enrollment of William Henry Tiger, as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906, (34 Stats. 137) Testimony was taken in this matter on said date.

There is attached to and made a part of the record herein, a duly certified copy of a marriage license issued to Rolla Tiger and Zola Lucus on the 9th. day of May, 1906.

It appears from the evidence and the records in the possession of this office that the applicant is the legitimate child of Roley Tiger, a duly enrolled citizen of the Creek Nation, whose name appears on a schedule of citizens by blood of the Creek Nation approved by the Secretary of the Interior March 28, 1902, opposite number 6591, and his non citizen wife, Zoye Tiger.

It further appears from the evidence that said child was born December 31, 1905, and was living at the time of the last proceedings had herein.

It is, therefore, ordered and adjudged that the applicant, William Henry Tiger is entitled to be enrolled as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906 (34 Stats., 137) and the application for his enrollment as such is accordingly granted.

Dear Madam: ✓

In the matter of the application for the enrollment of your minor child, William Henry Tiger, born December 31, 1905, as a citizen of the Creek Nation, you are advised that this office requires proof of your marriage to Roley Tiger, the father of said child; said proof may consist of either the original or a certified copy of your marriage license and certificate, and should be forwarded to this office at an early date.

Dear Madam:

In the matter of the application for the enrollment of William Henry Tiger, as a citizen of the Creek Nation, you are advised that you should write this office at once explaining discrepancies in the spelling of your name and the name of the father of said child. Your name and the name of the father of said child in the original application are given as Zeye and Reley Tiger, whereas in the marriage license filed in this office said names are given as Zola and Rella Tiger. As only a short time remains in which to complete the enrollment of citizens of the Creek Nation, it is necessary that you give this matter your immediate attention.

Respectfully,

Commissioner.

MUSKOGEE, INDIAN TERRITORY.
MAY 19, 1906.

In the matter of the application for the enrollment of
Nora Thomas and Vann Thomas, deceased, as citizens of the Creek
Nation.

Sarah Thomas, being duly sworn, testified as follows:

- Q What is your name? A Sarah Thomas.
Q What is your age? A About 30.
Q What is your post office address? A Inola.
Q What Creek Indian town do you belong to? A Cheyarhar.
Q Tell me the name of the boy you had enrolled with you which is
dead? A Phillip Thomas.

Indian Witness is identified as Sarah Thomas, opposite Creek
~~Exhibit~~ Roll No. 1922.

- Q What is the name of this little girl you have here you want to
apply for? A Nora Thomas.
Q When was she born? A February. Witness answered partly through
official interpreter, Lona Merrick. I don't know when she was
born.
Q How old is she? A About four years.
Q Who was the midwife when she was born? A My mother, Emma
Thomas.
Q Did you have another born last year? A Yes sir.
Q Named Vann? A Yes sir.
Q Do you remember what month in 1905, Vann was born? A I don't
know.
Q We have your affidavit here which says it was born in February
17, 1905, is that correct? A Yes sir.
Q Your mother wasn't the midwife when Vann was born, was she?
A No sir.
Q Who was? A Old lady --- Priscilla Blackburn.
Q Vann is dead? A Yes sir.
Q When did he die? A I don't know.
Q Last fall? A Yes sir.
Q What is the name of the father of these children? A Mack Thomas.

Mack Thomas, being duly sworn, testified as follows:

- Q What is your name? A Mack Thomas.
Q What is your age? A 33.
Q What is your post office address? A Inola.
Q Are you Sarah's husband? A Yes sir.

Witness is identified as Mack Thomas, on Creek Indian Roll
opposite No. 1921.

- Q Is the date February 2, 1902, given by the mother in an old
affidavit the correct date of the birth of this little girl?
A Yes sir.

Q Four years old last February? A Yes sir.

Q How does it come Mr. Thomas that in Sarah's affidavit the midwife's in attendance at the birth of Vann Thomas is given as Priscilla Blackburn, and you now state that Sarah's mother was the midwife when Vann was born? Was she present when the girl was born. A She was not the midwife when Vann was born, she lived right close to us and she came to the house after he was born. Priscilla lived less than a half a mile from us and my mother lived about six miles from us, and we got Priscilla Blackburn to come over to act as midwife. Sarah's mother made the affidavit that she knew when the child was born. She has seen the child every day.

Q Then she furnished an affidavit as knowing about the child, wasn't that correct, when it states she was midwife? A No sir, the clerk made a mistake, we just told him she knew about it.

Q The Notary Public must have done it? A Yes sir.

Q Well now this boy was born on February 17, last year?

A Yes sir.

Q When did he die? A 2nd of October, 1905.

Are you sure of that? A Yes sir.

Q How old was he when he died? A About eight months old.

Q You can positively swear that Vann Thoms was living March 4, 1905, but wasn't living October 2, 1905? A Yes sir, I can swear that.

Q Now Why Mr. Thomas, we received from the Secretary of the Interior what you had sent there, affidavit of Sarah Thomas, and of Priscilla Blackburn, both of which were executed February 3, 1906, affidavits about the birth of your two children, Nora and Vann Thomas, how does it come that this is the first time you have applied for them--that we have any record of?

A Well, I just got to coming up to see Porter and the Agent, and they couldn't do anything for me, and I just quit coming, and the surrounding people told me not to give it up.

Q Did they tell you --since this last act? A No sir.

Q Well now why didn't you before last May 2, before the rolls closed, why didn't you apply for Vann and Nora? A Well, I was sick the first few days I could come down and file--~~i got~~ my brother and Sarah's sister,--we married sisters--they were sick and nobody wouldn't take care of them, so we went there to take care of them, and Sarah took sick,--they had what the doctors call erysipelas, and Sarah took it and when she very nearly well with it, I took down with it, the doctors said it was contagious?

Q Is that contagious? A Yes sir.

Q Did she catch it? A Yes sir.

Q Did you catch it? A Yes sir.

Q Is that the reason, just because you had the erysipelas that you couldn't come down and apply for these children? A I Tried to get my brother to go and someone said I had to be there myself, and nobody else could do ~~it~~ nothing for me.

Q How much Indian blood have you got? A About a half.

Q About a half? A I reckon so.

Lona Merrick, being duly sworn, states that the above and foregoing is a true and correct transcript of her stenographic notes as taken in said cause on said date.

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
Vann Thomas, deceased, as a citizen by blood of the Creek Nation.

STATEMENT AND ORDER.

The record in this case shows that on February 20, 1906, application was made in affidavit form, supplemented on May 19, 1906, by a further affidavit and by oral testimony, for the enrollment of Vann Thomas, deceased, as a citizen by blood of the Creek Nation.

It appears from the evidence filed in this matter that the said Vann Thomas was born February 17, 1905, and died October 2, 1905, and was the child of Mack Thomas and Sarah Thomas, whose names appear on the approved roll of citizens by blood of the Creek Nation opposite numbers 1921 and 1922, respectively.

This application was not made within the time prescribed by the Act of Congress approved March 3, 1905, neither was it made prior to December 1, 1905, to which date the time was extended by the Act approved April 26, 1906, nor was the applicant living on March 4, 1906, as was necessary for enrollment under said Act of April 26, 1906.

It is, therefore, ordered that there being no authority of law for the enrollment of the said Vann Thomas as a citizen by blood of the Creek Nation, the application for his enrollment as such be, and the same is hereby dismissed.

Dear Madam:

In the matter of the application for the enrollment of your minor child, William C. McCann, as a citizen of the Creek Nation, you are advised that this office cannot identify you on its rolls of citizens of the Creek Nation, and you are requested to furnish this office with your maiden name, the names of your parents, the Creek Indian town to which you belong, your age, and the roll number as same appears on your deeds or allotment certificates to land in the Creek Nation.

There is on file in this office your affidavit in which the date of birth of said child is given as October 4, 1904, whereas the affidavit of Addie Colling, the midwife, states that said child was born October 4, 1905. To correct this discrepancy there is herewith enclosed a blank form of birth affidavit which you should have properly executed and return to this office in the enclosed envelope.

In the matter of the application for the enrollment of
Lawrence Scruggs as a citizen by blood of the Creek Nation.

STATEMENT AND ORDER.

The record in this case shows that on May 21, 1906 application was made, in affidavit form, supplemented by oral testimony, for the enrollment of Lawrence Scruggs, as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906.

It appears from the evidence filed in this matter that said Lawrence Scruggs was born March 24, 1906.

The Act of Congress approved April 26, 1906 (34 Stat. L. 137) in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It is therefore ordered that the application for the enrollment of Lawrence Scruggs as a citizen by blood of the Creek Nation, be, and the same is, hereby dismissed.

J. H. Phillips, Field Clerk,
Okmulgee, Oklahoma.

January 30, 1922.

Sir:

It appears from the enrollment record on file in this office in the case of Samuel Harjo, New Born Creek, Roll No. 144, that Sunday Harjo, enrolled as a Creek at No. 4907, and Maggie Harjo, enrolled as a Creek at No. 4983, are the father and mother.

A letter received at this office from former Field Clerk James W. Rodgers, Holdenville, Oklahoma, indicates that Sunday Harjo at No. 4907 never had any children, and the claim is made that Sunday Harjo, enrolled at No. 5002 on the Creek roll, is the father of this child, which is not probable for the reason that Sunday Harjo at No. 5002 is enrolled as a female.

I understand that both Sunday Harjos are now living near Yeager and Weleetka. Maggie Harjo, nee Robison, the mother of Samuel Harjo, is enrolled as a Creek at No. 4983.

In view of the above you are kindly requested to secure testimony showing who is the father of said Samuel Harjo and submit your report therein at the earliest possible date.

For your guidance in making this investigation I am enclosing herewith copies of the census cards on which appear the names of the two Sunday Harjos referred to.

- Q In your house there? A Yes sir.
- Q Who was present when he was born? A Maud McGilberry, and my husband.

- Q How can you remember that this child was born on the first of March when you cant tell me the day of the week it was born, and you didnt make any record of its birth nor the time it was born, how is it you can remember that? A Because I know it was the first day of March.
- Q You dont know what day of the week it was? A I dont remember that.
- Q What day is today? A I dont know, I guess today is Wednesday, aint it?
- Q What day of the month is it? A I dont know the day of the month.

- Q How is it you dont know this month, for you dont, because you dont know what today is, how does it come that you remember that date? A Why because I had to remember the date I suppose.

David Adams--3.

- Q Did you write anything down along about that time to help you remember--at any time? A I was sick I remember.
- Q Did you have any doctor tend you when you were sick? A No I didnt.

- Q Where was that made, at your house or some place else? A Made at Beggs.
- Q You remember the name of the Notary Public? A Comstock.
- Q You remember going before him do you? A Yes sir.
- Q How old was this child at that time? A I dont know I dont remember what month it was.
- Q That is just it; you remember going there dont you? A Yes sir.
- Q How old was the child at that time, was it a week or month or what? A It couldnt have been a day or week; I never went to him until a month.
- Q You know when you first got up; was it before you went and made this affidavit? A I dont think we made out that affidavit, I think my husband wrote down here first and got an affidavit, dont remember what time it was.
- Q Was the child a month old? A Yes sir, it was over a month old.
- Q Was it two months old? A I dont know, it was over a month old the first time I went to town.
- Q Had you been to town before this time you made this affidavit? A Yes sir, I had been to town before.
- Q Do you know what was the last day on which a child could be born in order to be entitled to enrollment? A I dont know.
- Q Do you know how much later your child could have been born and be entitled? A Be about this March I believe.
- Q This March of this year? A 1907; that closed them all out I guess.
- Q No you are mistaken about that. Were there any young children born to citizens in your neighborhood there about the time your child was born? A No not right close.
- Q Do you know of any that were born to any citizens about the time yours was? A Why there was some born up there about six or seven miles on the other side of our place.

David Adams--4.

- Q Do you know who was the midwife for their child? A No I dont.
- Q It is a funny thing, you dont know the day of the week your child was born on and still you can remember it was March 1st? A Yes sir, I can remember that.
- Q Isnt it easier to remember the day of the week than the day of the month? A I dont know, I never did have to remember either one.
- Q It is a fact that you do know what day of the week today is and you dont know the day of the month? A Yes sir, I do know today is Wednesday.
- Q How does it come that you know? A Why because I know, I had to go back home Thursday and tomorrow is Thursday the day I go back; couldnt tell you any more than I done told you.
- Q You positively swear that you dont know that if this child was born as late as March 5, 1906 it would not be entitled to enrollment? A Did I swear?
- Q Do you swear positively that you dont know that if this child was born as late as March 5, 1906, it would not be entitled to enrollment, do you mean to say that you dont know it would be out, born too late? A I guess it would be out, put down on papers the 4th day of this March, would knock it out.
- Q Not this March? A 1907.
- Q 1906. Didnt you know that? That is on all the papers; require proof as to whether child was living March 4, 1906? A It says all citizens by blood knock them out if not born before March 4, 1907.
- Q Where did you hear that? A Didnt hear it, afterwards read it.
- Q Where? A Phoenix; that you all were going to close out everything 1907, March 4.
- Q You say then that you dont know that a child born March 5, 1906 is not entitled to enrollment? A It ought to be, I dont know whether it is or not.
- Q I am just asking you if you know the law? A I dont know nothing much about the law only just what I hear, we havent no law books.

- Q What is your postoffice address? A Beggs.
- Q What is the name of this baby you had in your arms just now? A David.

- Q What day of the week, yes? A I dont know that.
- Q You were there? A I was there, I dont know what day of the week, I couldnt state that, they know about that.
- Q What day of the month was it born? A First of March, I think it was.
- Q How do you remember that? A I remember the month, dont remember the day of the week, I never can, Monday, Tuesday Wednesday and so on.
- Q How does it come that you keep track of the day of the month? A Like this, one, two, three, four, I can count that way.
- Q Isnt it easier to tell the day of the week than the month? A Well I cant tell you that.
- Q What day is today? A Let me see.
- Q You know what day of the week it is dont you? A I have to study over it, give me time, if I aint mistaken today is Wednesday aint it.

David Adams--7.

- Q I presume you would tell the truth under oath. A I would do that.
- Q If that child was born on March 5th, dont you know it would not be entitled to enrollment? A I know it, I wouldnt do it.
- Q You didnt write it down anywhere at the time it was born did you? A No I didnt put it down, I got a few of 'em down, oldest ones, never got them all down on the book yet.
- Q What is the name of the child just older than David? A Theodore.
- Q When was Theodore born? A I cant tell you that.
- Q Have you forgotten, or did you ever know? A I never paid any particular attention, what date and all that.

BY MR. FARNSWORTH:

- Q Why did you wait until the 19th of May, 1906 before you made this birth affidavit for this child? A What?
- Q Why did you wait until the 19th of May, 1906 before you made this birth affidavit for this child? A How come I wait that long?
- Q Yes? A I never got any notice. I got notice from the postoffice to enroll these children sent blank, they was the one that done that.

David Adams--8.

- Q You have any book on which you keep records of the date of birth of your children, the date of birth? A I have got all my children on record, I got about three children never had in at all, got a bible to put them in, never done it, just put off and put off just that way.

BY THE COMMISSIONER:

- Q Dont you think that you could be mistaken when you say March 1st? A I dont think I could, I dont want to lie; I made out an affidavit once.

Dear Sir:

You are hereby advised that on December 18, 1906, the Secretary of the Interior approved the enrollment of your minor child, Lonnie Buck, as a citizen of the Creek Nation, and that the name of said child appears upon the roll of minor citizens by blood of the Creek Nation enrolled under the Act of Congress approved April 26, 1906, as No. 253.

U.S. DEPT.

I.D.

COMMISSIONER OF THE INTERIOR
COMMISSIONER OF THE CREEK TRIBES.

In the matter of the application for the enrollment of Lonnie
Buck as a citizen by blood of the Creek Nation.

ORDER

The record in this case shows that on May 3, 1905, there
was filed with the Commission to the Five Civilized Tribes at
Washita, Indian Territory, the application of Sallia Buck for
the enrollment of her minor child, Lonnie Buck, as a citizen by
blood of the Creek Nation.

The evidence shows that said Lonnie Buck was born March 8,
1902, and that he was living March 1, 1905.

An examination of the records of this office shows that no
application was made for the enrollment of said Lonnie Buck as a
citizen by blood of the Creek Nation prior to May 3, 1905.

The act of Congress approved March 3, 1905 (Pub. No. 218),
provides:

"That the Commission to the Five Civilized Tribes is
authorized for sixty days from the date of the approval
of this act to receive and consider applications for en-
rollment of children born subsequent to May twenty five,
nineteen hundred and one, and prior to March fourth,
nineteen hundred and five, and living on said latter date,
to citizens of the Creek tribe of Indians whose enroll-
ment has been approved by the Secretary of the Interior
prior to the date of the approval of this act; and to
enroll and make allotments to such children."

It is, therefore, ordered that there is no authority of law
for the enrollment of said Lonnie Buck as a citizen by blood of
the Creek Nation, and that the application for his enrollment
as such should be and the same is hereby dismissed.

The Commissioner to the Five Civilized Tribes,
Muskogee.

Dear Sir:

Several weeks ago we sent you an application of Sumsie Deere, the infant child of Isaac Deere, known as a Snake Indian, who refuses to select any land for his child or for himself. We think the name in the application was spelt "Deer" and it should be "Deere". Sumsie is a daughter of Isaac Deere.

We have no way to recall number of this case, but will ask your Honor to see that this change is made. The Indian who we made application for recently nearly all live in the same neighborhood and they are hard to understand and it leads us into mistakes as to how their names are spelt, as they dont know themselves. Your attention will be appreciated. What we are doing for these people is purely gratis. They have nothing scarsely to live on and can neither speak English, write or spell their own name.

Yours truly,

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Sumsie Deere, as a citizen by blood of the Creek Nation.

DECISION.

The record in this case shows that on May 22, 1906 there was filed with the Commissioner to the Five Civilized Tribes in Muskogee, Indian Territory an application, in affidavit form, for the enrollment of Sumsie Deer as a citizen by blood of the Creek Nation. Copies of transcript of testimony taken September 11 and December 6, 1905 in the matter of the application for the enrollment of Annie Deere as a citizen by blood of the Creek Nation, are attached to and made a part of the record herein.

The evidence shows that applicant is the minor child of Israel Deere, whose name is identified on the roll of citizens by blood of the Creek Nation, approved by the Secretary of the Interior March 28, 1902 opposite number 8748, and Lou Annie Deere, his lawful wife, a citizen of the Seminole Nation.

The surname of applicant is shown in the original affidavits filed in this matter as "Deer". The surname of the father of said applicant, as shown on the approved roll, being "Deere", the application filed herein is considered as having been made for the enrollment of Sumsie Deere.

The evidence further shows that said applicant was born October 15, 1905 and that he was living March 4, 1906.

The Act of Congress approved April 26, 1906, (34 Stats. 137) provides in part as follows:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred

and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It is, therefore, ordered and adjudged that said Sumsie Deere is entitled to be enrolled as a citizen by blood of the Creek Nation under the provision of law above quoted, and the application for his enrollment as such is accordingly granted.

In the matter of the application for the enrollment of
Rullison Haynie as a citizen by blood of the Creek Nation.

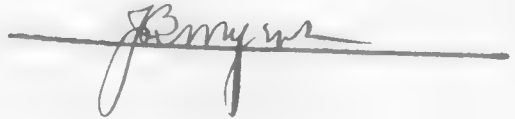

MARY HAYNIE, being first duly sworn by and examined
through Alex Posey, a Notary Public, and official interpreter,
testified as follows:

BY THE COMMISSIONER:

- Q What is your name? A Mary Haynie.
Q How old are you? A I don't know my exact age but I must be
about 31.
Q What is your postoffice address? A Coweta.
Q Are you a citizen of the Creek Nation? A Yes sir.
Q To what Creek town do you belong? A Coweta.
Q Under what name are you enrolled? A As Mary Bruner.
Q Who are your parents? A William Berryhill is my father
and the name of my mother was Rachael, she is dead.
Q Are you married? A Yes sir.
Q To whom? A March Haynie.
Q Was he a citizen of the Creek Nation? A Yes sir.
Q To what Creek town does he belong? A Coweta.
Q Who are his parents? A Andy and Maria Haynie.
Q Is March Haynie your lawful husband? A Yes sir.
Q Have you and March a minor child named Rullison Haynie?
A Yes sir.
Q When was the child born? A March 23, 1906.
Q Are you positive that that is the correct date of the child's
birth? A Yes sir.
Q We have an affidavit executed by you and Susan Sarty in which
it is stated that Rullison Haynie was born February 23, 1906.
Is that a mistake? A Yes sir, that is a mistake, the child
was born March 23, 1906.
Q Before whom did you execute the affidavit with reference to the
birth of this child? A A lawyer in Coweta named Beavers.
Q Did you tell him when you executed the affidavit that the child
was born February 23, 1906? A No sir, I told him that the
child was born March 23, 1906, and if the affidavit states that
the child was born February 23, 1906, it is a mistake. I know
that we told the Notary the correct date of the child's birth
and he must have made the mistake.
Q Did you know at the time that you executed that affidavit that
this child had to be living March 4, 1906, in order to be
entitled to enrollment? A Yes sir.
Q How did you know? A Because Richard Bruner told me.
Q You wish now to correct the mistake that you made, do you, as
to the date of the child's birth? A Yes sir, the child
was not born February 23, 1906, it was born March 23, 1906;
that is the correct date of its birth. If the child was born
too late to be entitled to enrollment I want to drop the matter
of its enrollment the application for its enrollment altogether.
Q Where is your husband today? A He has gone to the country, he
is not at home.

J. B. Myers, being first duly sworn, states, that as

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES,
NEAR COWETA, I. T., FEBRUARY 13, 1907.

In the matter of the application for the enrollment of
Rullison Hayne as a citizen by blood of the Creek Nation.

SUSAN SARTY, being first duly sworn by and examined
through Alex Posey a Notary Public, and official interpreter,
testified as follows:

BY THE COMMISSIONER:

- Q What is your name? A Susan Sarty.
- Q How old are you? A I do not know my age. (Witness appears to be about 45 years old).
- Q What is your postoffice address? A Coweta.
- Q Are you a citizen of the Creek Nation? A Yes sir.
- Q To what Creek town do you belong? A Brokenarrow.
- Q Are you acquainted with March and Mary Hayne? A Yes sir.
- Q Do you know a child of theirs named Rullison Hayne? A They have a young child but I do not know what its name is.
- Q When was that child born? A It was born sometime last year but I do not remember the month. All I know is that it was said that according to the date fixed by law the child was not entitled to allotment.
- Q Did you ever execute an affidavit with reference to the birth of this child? A Yes sir, but I do not now remember what date I gave. I did not know the date of the child's birth at the time I made the affidavit.
- Q The affidavit on file executed by you May 19, 1906, states that the child was born ~~May 19~~ 23, 1906? A I signed the affidavit without knowing what date was given. I thought that I was merely witnessing the fact that ~~this~~ child was born to Mary Hayne and that I acted as mid-wife.
- Q Don't you remember whether it was in February, March, April or May that the child was born? A At the time I executed the affidavit I thought told the parents that I had heard that the child was not entitled to enrollment, but they insisted that I make affidavit as mid-wife and I did so.
- Q Who told you the child was not entitled to enrollment? A Dick Bruner. Dick made the statement just before he died, while he was lying in bed during his last illness. He was reading an account in the newspapers about the enrollment of new born children and I heard him make the statement that March and Mary's child was born too late. I am a full blood Indian, can neither read nor write, and know nothing about dates and the requirements of the law in such matters and only know things as I hear them but when Dick Bruner made that statement it impressed itself on my mind and I have not forgotten it.

- Q Do you know when it was that Dick Bruner made that statement? A It was in April, just before he died.
- Q How long had the child been born when Dick Bruner made that statement? A The child had just been born.
- - - - -

Testimony of Ned Sarty.

NED SARTY being first duly sworn by and examined through Alex Posey a Notary Public and official interpreter, testified as follows:

- Q What is your name? A Ned Sarty.
- Q How old are you? A 30.
- Q What is your postoffice address? A Coweta.
- Q Are you a citizen of the Creek Nation? A Yes sir.
- Q Do you know March and Mary Hayne? A Yes sir.
- Q Do you know a child of theirs named Rullison Hayne? A Yes sir.
- Q Do you know when that child was born? A Not exactly.
- Q Do you know about when it was born? A I cannot state exactly when it was born but it was after March 4, 1906, I am sure of that. March Hayne, the father of the child told me when the child was born but I have forgotten the date which he gave. He told me that the child was not entitled under the law, but that he was going to make application for it because he had been advised by some lawyer that he could have the child enrolled.
- Q Did he state to you what lawyer that was, that gave him that advice? A No sir.
- Q Are you on good terms with March Hayne? A Yes sir.
- Q Is he a relative of yours or not? A He is distantly related to me, havin being a second cousin to my father.
- Q Do you know when Richard Bruner died? A It was in April but I do not remember what time in April.
- Q Did he die before or after this child was born? A After.
- Q How long after the child was born was it that Richard died? A It wasn't very long, I couldn't say how long.
- Q Was the child was much as a month old or not? A I don't know.
- Q But you are positive that the child was born after March 4, 1906? A Yes sir.
- Q You can read and write, can you not? A Yes sir. Both parents knew at the time they made application for the child's enrollment that it was not entitled because they had said so to me and others before they made application for its enrollment.
- Q Who do you mean by others? A Susan Sarty and other members of our household.
- Q Do you know anyone that would be able to furnish further information as to when this child was born? A Susan Sarty would probably make a good witness but she is

Sarah Bruner

not here, having gone to Muskogee.

NOTE:

The parents of Rullison Hayne are absent from home and their testimony cannot be obtained at this time.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Rullison Haynie as a citizen by blood of the Creek Nation.

STATEMENT AND ORDER.

The record in this case shows that on May 22, 1906, application was made, in affidavit form, for the enrollment of Rullison Haynie as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906 (34 Stat. L., 137). A supplemental affidavit of the midwife was filed on the same date. Subsequent proceedings were had on February 13, 1907, and February 20, 1907.

It appears from the evidence and the records in the possession of this office that said applicant is the minor child of March Haynie, whose name appears on a partial schedule of citizens by blood of the Creek Nation approved by the Secretary of the Interior March 13, 1902, opposite No. 344, and Mary Haynie, who is identified as Mary Bruner on a partial schedule of citizens by blood of the Creek Nation approved by the Secretary of the Interior March 28, 1902, opposite No. 5731.

There is a contradiction in the evidence in this case. The date of the birth of said applicant, as stated in the original affidavit, is erroneous. The subsequent testimony of the mother clearly fixes the date of the birth of said child as March 23, 1906.

In view of the foregoing, I am of the opinion that there is no authority of law for the enrollment of Rullison Haynie as a citizen by blood of the Creek Nation, and the application for his enrollment as such is accordingly denied.

Dear Sir :--

Application has been made for the enrollment of Rullison Haynie, born February 23, 1906, to Mark Haynie and Mary Haynie, citizens by blood of the Creek Nation, and you appear as notary in the affidavits filed. Your attention is invited to the following provision of the Act of Congress approved April 26, 1906:

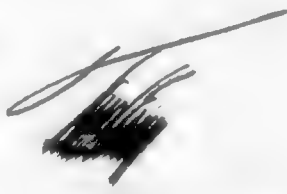

"Provided, that the rolls of the tribes affected by this Act shall be fully completed on or before the fourth day of March, nineteen hundred and seven, and the Secretary of the Interior shall have no jurisdiction to approve the enrollment of any person after said date."

In view of the above and inasmuch as Mary Haynie has disregarded letters notifying her that further proof is necessary in said case, you are advised to use every effort to induce her to furnish this office with a correct affidavit of the midwife in attendance at the birth of said Rullison Haynie. The affidavit of Susan Sarty, midwife, executed before you May 19, 1906, states that the child was born May 23, 1906, an impossibility.

There is herewith enclosed a blank form of birth affidavit and you are requested to have same properly executed and return to this office at once.

ORDER OF DISTRIBUTION

Now on this 21st day of April, 1916, there coming on for hearing the final report of Wallace C. Cully, as administrator of the estate of Thomas Palmer, deceased, together with the hearing of the protest filed thereto by Lafayette Walker, United States Probate Attorney for Seminole County, and all persons interested in said estate being now in Court, either in person or by their attorney, and the Court having now heard all the evidence adduced in said matter, and being now fully advised in the premises,

Doth find, from the evidence, that more than twenty days have elapsed since the filing of said report and petition for distribution; that due and legal notice of this hearing has been given according to law, by a notice giving the name of the deceased, together with the name of the administrator of said estate, said notice having been duly published as by law required, and said final account and petition coming on regularly to be heard, and the Court having examined said account and petition, and being now fully advised in the premises,

Doth find, from the evidence, that Thomas Palmer, deceased, departed this life, intestate, on or about the 17th day of March, 1913, while a resident of Seminole County, Oklahoma, and domiciled therein, and this court has jurisdiction of the settlement of the estate of said decedent and has jurisdiction to pass upon said account and petition; that said account contains a full and correct report and statement of all claims presented and allowed against said estate, and of all monies received and disbursed by the said administrator from the 18th day of October, 1915 to the 27th day of March, 1916.

That the total amount received is.....\$486.48
That the total amount disbursed is.....\$484.61
Balance in the hands of administrator..... 1.87.

The Court further finds, from the evidence, that said account is entitled to be allowed, settled and approved; that all claims against said estate and against said decedent, and all State, County, School and Municipal taxes levied upon the personal property of said estate have been fully paid and discharged, and that said estate is ready for distribution and in condition to be closed; that the said Wallace C. Cully, as such Administrator has honestly and faithfully performed the duties of the trust as such administrator, and is entitled to be discharged and to have the sureties on his official bond released and discharged from any further liability thereon.

The Court further finds, from the evidence, that since the filing of the report herein the personal property of said estate has been appraised by the guardian of ~~and~~ the ~~minor~~ interest in said estate, as well as by disinterested persons; that ~~since the filing of said report the personal property of said estate has been increased by the birth of two calves; that the appraisal of the personal property as shown by said report should be approved with an increase to a total valuation of \$810.00 and including the two calves above mentioned; that the adult heirs of said estate have agreed to take the personal property at the above appraisal and pay to the minor heirs for their interest in the same; that the election to take said personal property by said adult heirs should be ratified, approved and confirmed, the same being for the best interest of said estate, and said minors thus receiving more than they would probably receive were said property sold through the Court and the proceeds distributed to the heirs.~~ FILED FEB 14 1917

Further proceedings were had on the date of the original application. An unsigned purported copy of the decree of the court of the Western district granting a divorce to Roxie Sewell from Thomas Sewell is attached to and made a part of the record herein.

The previous requirements of this office as to the introduction of evidence in order to make a complete record, upon which to base a decision is not conformed to in this case but in view of the close proximity of the date designated for the final closing of the rolls and for the protection of the interests of the applicant, I am of the opinion that the evidence herein submitted warrants the following conclusions: that the said Willie Sewell is the child of Roxie Messing, a non citizen, and Thomas Sewell; that the said Roxie Messing was lawfully married to the said Thomas Sewell in the year 1894; that they lived continuously together as man and wife until about three months before the birth of the applicant; that the applicant Willie Sewell was born December 1, 1901 and was living March 4, 1906.

The records in the possession of this office, in connection with the evidence, show that the father of the applicant Thomas Sewell is identified on a partial schedule of citizens by blood of the Creek Nation, approved by the Secretary of the Interior March 28, 1902, opposite roll No. 8871.

It is, therefore, ordered and adjudged that the said Willie Sewell is entitled to be enrolled as a citizen by blood of the Creek Nation, in accordance with the provisions of the Act of Congress approved April 26, 1906 (34 Stats., 137), and the application for his enrollment as such is accordingly granted.

You were also advised that before the right to enrollment of said child can be adjudicated, it will be necessary for you to introduce at this office the testimony of Thomas Sewell, the alleged citizen parent, and of at least two other witnesses, who know who is the father of said child.

In the matter of the application for the enrollment of
Joseph H. Baker, as a citizen by blood of the Creek Nation.

Rebecca J. Baker, being duly sworn by H.G. Hains, a Notary
Public, testified as follows, through Official Interpreter,
Lena Merrick:

Examination by the Commissioner:

- Q What is your name? A Rebecca J. Baker.
Q What is your age? A 38
Q What is your post office address? A Irene.
Q Are you a full blood Creek Indian? A yes sir.
Q What Creek Indian town do you belong to? A Tuckabatchee.

Witness is identified as Rebecca J. Baker, opposite Creek
Indian Roll number 5832.

- Q What is the name of this baby you have in your arms?
A Josephine.

Q Is it a boy or girl? A Girl.

Witness although speaking through interpreter heretofore
has answered the last two questions in English, also stating in the
English language that it was a girl and her answer as to the name of
the child sounds more like J.H. than Josephine.

Q What is the name of this child? A Josephine.

Q Can you spell? A Yes sir. J-o-s-e-p-h-i-n-e.

Q What is the name of the father of the child? A Kinkehe
Baker.

Q Is he a full blood Seminole? A Yes sir.

Q Was this girl just a year old this month? A Over a year old.

Q The 3rd of this month? A Yes sir, a year old the third of this
month.

Q Now Mrs. Baker we have here your affidavit before Alex Posey
Notary Public, official Interpreter for the Commissioner to the
Five Civilized Tribes, said affidavit being signed by you and in
which it is stated that the name of this child is Joseph H. Baker,
and that the child is a male child, can you explain how that
happened, that is not right is it? A No sir, it isn't right.

Q It should have been Josephine a girl's name and should have
stated that it was a female child? A Yes sir.

Q How do you explain that? A I made application at Paden
to Mr. Posey, and he changed the name.

Q You think he misunderstood you? A Yes sir.

Q You didn't tell him it was a female child, did you? A I told
him it was a female child.

Q It--Isn't it a fact that you Indians sometimes refer to a girl
as he? A Yes sir sometimes they call a girl he and a man she.

Q Did he ask you about this child's sex in English or Creek
A Creek.

Q How do you suppose this mistake occurred? A Might have
been that way, I don't know.

Q You think it was a mistake? A Yes sir.

Q So this child is named Josephine, a girl's name? A Yes sir.

Q We also have the affidavit of Amanda Frank and Tinge Frank, two witnesses made before Alex Posey, a Notary Public, and in which the name of the child is given as J. N. Baker, and a male child, you suppose that he misunderstood these two witnesses also or did they know it was a girl instead of a boy? A They knew it was a girl.

Q We also have an affidavit here made by you and Kinkhees N. Baker, made before Posey, on the same day you made original application electing to have said child enrolled in the Creek Nation and to receive ~~the~~ allotment of land in the Creek Nation, that was a mistake too was it, it should have read her allotment? A Yes sir it should have read her.

Most of the questions the witness answers in English without having the questions interpreted.

Q You appear at this time in order to have the given name and sex of this child changed, do you? A Yes sir.

Q You wanted it corrected from Joseph N. to Josephine? A Yes sir.

Q And the sex changed from male to female? A Yes sir.

Q Are you sure that the Notary Public asked you ~~if~~ if it was a boy or girl, or did he just understand you to say it was Joseph N. and took it for granted that it was boy? A He asked me if it was a girl, and I told him it was a girl.

Q The name of Joseph N. Baker, the child applied for is listed on a schedule of minor Creeks (April 26, 1906), opposite Roll number 194.

Kinkhees N. Baker, being duly sworn, by H.G. Hains, a Notary Public, testified as follows, ~~and~~ ~~as~~ ~~an~~ ~~Interpreter~~, Lona Merrick.

Examination by the Commissioner.

Q What is your name? A Kinkhees N. Baker.

Q How old are you? A About 55.

Q What is your post office address? A Irene.

Q Are you a full blood Seminole? A Yes sir.

Q Is this your child? A Yes sir.

Q Is it a boy or girl? A Girl.

Q What is its name? A Josephine.

Q Can you spell it? A No sir.

Q Do you appear at this office today for the purpose of correcting the name of the child from Joseph N. Baker to Josephine Baker, and the sex from male to female? on the final roll? A Yes sir.

Q Do you both desire that action be taken in this matter towards correcting the name and sex on the final roll? A Yes sir.

Lona Merrick, being duly sworn, states that the above and foregoing is a true and correct transcript of her stenographic notes as taken in said cause on said date.

Dear Madam:

Receipt is acknowledged of your letter of September 14, 1906, in which you state that the name of your minor child was listed as Joseph N. Baker, whereas the correct name is Josephine Baker; you ask that same be changed on the rolls.

You are advised that the name of your said child appears on the roll of minor children as Joseph N. Baker, opposite number 194, and you are notified to appear at this office at your earliest convenience with K.N. Baker, the father of said child, to give testimony in the matter of the correct name of your child.

Respectfully,

Commissioner.

Waskagee, Indian Territory, October 4, 1906.

The Honorable,

The Secretary of the Interior.

Sir:

It appears from the records of this office that the name of Joseph N. Baker is contained in the partial list of new-born Creek Indians by blood, approved by the Secretary of the Interior August 22, 1906, opposite No. 194.

It further appears from said records that no selection of allotment for said Joseph N. Baker has been made.

September 29, 1906, Rebecca J. Baker and Kinkohee N. Baker, the mother and father of said Joseph N. Baker, appeared at this office and testified as to the correct name and sex of said child.

It appears from their testimony that the correct name of said child is Josephine Baker instead of Joseph N. Baker, and that the sex of said child is female instead of male.

It is respectfully recommended that the name of Joseph N. Baker, which appears on the approved new-born list of Indians by blood of the Creek Nation opposite No. 194, be changed to Josephine Baker, and that the sex be changed

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,

WASHINGTON, October 22, 1906.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a communication from the Commissioner to the Five Civilized Tribes, dated October 4, 1906, together with testimony taken in the matter, in which he recommends that the name of Joseph N. Baker, as contained in the partial list of new born Creek Indians by blood, which was approved by the Department on August 22, 1906, opposite numbers 194, be changed to Joseph^{ine} Baker, and that the sex of this child be changed from male to female.

The testimony taken in this case shows that the mother is a full blood Creek Indian, and while she speaks English to a certain extent, is not proficient in the language, and it appears that her pronunciation of the name "Josephine" sounds more like "Joseph N".

than it does like Josephine, and that the error was no doubt made in this way, and that the notary public undoubtedly understood her to say Joseph N. and filled out the sex to correspond with the name as he understood it.

Since it appears that the child is a female and that her name is properly Josephine, the Office concurs in the recommendation of the Commissioner that the records be made to conform thereto.

Very respectfully,

C.F. Larrabee,

HWE-MCC.

Acting Commissioner

H.B.C.-273.

Muskogee, Indian Territory, November 10, 1906.

Rebecca J. Baker,
c/o K. W. Baker,
Irens, Indian Territory.

Dear Madam:-

You are hereby advised that on October 26, 1906 the Secretary of the Interior authorized a change in name and sex of your child on the final roll of minor children, opposite number 194; the name now appears as Josephine Baker instead of Joseph W. Baker. This change was requested by you September 29, 1906.

You are hereby advised that a selection of land in the Creek Nation may now be made for said child, at the Creek Land Office, in Muskogee, Indian Territory.

Respectfully,

Commissioner.

JH.

DEPARTMENT OF THE INTERIOR,

WASHINGTON, October 26, 1906.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

October 4, 1906, you recommended that the name of Joseph N. Baker, which appears on the approved roll of new-born Creek Indians by blood, opposite No. 194, be changed to Josephine Baker, and that the sex be changed from male to female, it appearing from the testimony of the father and mother of said child, taken September 29, 1906 that such changes are necessary.

Reporting October 22, 1906, the Indian Office concurs in your recommendation. A copy of its letter is inclosed.

Such changes will be noted upon the parts of the schedule in the possession of the Department and the Indian Office, and you are authorized to note such changes on the part thereof in your possession.

Respectfully,

B.A. Hitchcock,

Secretary.

Q Did he die the next year? A He lived two years and a half.

Witness is identified as Nancy James, opposite Creek Indian Roll No. 7023.

- Q What is the name of this child you have in your arms?
A Joe T. Roberson.
Q When was he born? A Born last ~~year~~ Christmas month.
Q We have an affidavit here signed by you before Preston Janway, in which you state that the child was born December 18--is that correct? A Yes sir.
Q And the Notary Public apparently made a mistake because he wrote in here the year 1906, it must be a mistake? A Yes sir, he made a mistake.
Q It should be 1905? A Yes sir.

Q Is he a state man? A Yes sir.
Q Are you married to him? A Yes sir. Q Have you your marriage license with you? A No sir.

A Yes sir.

Affidavit is completed and witness is asked to sign.

A I can't write it.

Q How does it happen that this affidavit before Janway is signed, did you write that? A Yes sir.

Q Can't you write this? A I can't write good.

Q Is that the reason why your name was put down as R-o-b-i-n-s-o-n instead of R-o-b-e-r-s-o-n? A Yes sir.

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment
of Jimmie Bell as a citizen by blood of the Creek Nation.

D E C I S I O N.

The record in this case shows that on June 1, 1906, an application was filed, in affidavit form, for the enrollment of Jimmie Bell as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906. Further proceedings were had on the date of the original application and a supplemental affidavit executed on the same date is attached to and made a part of the record herein.

The previous requirements as to the introduction of evidence in order to make a complete record, upon which to base a decision is not conformed to in this case but in view of the close proximity of the date designated for the final closing of the rolls and for the protection of the interests of the applicant, I am of the opinion that the evidence herein submitted warrants the following conclusions: that the applicant is the child of Josie Bell, a citizen of the Seminole Nation, and Lizzie Bell, a citizen of the Creek Nation; that the said Jimmie Bell was born March 22, 1905 and was still living June 1, 1906.

The evidence further shows that an election was made for the enrollment of the applicant as a citizen by blood of the Creek Nation.

The records in the possession of this office, in connection with the evidence, show that the mother of the applicant Lizzie Bell is identified as Lizzie Marshall, opposite Creek Indian roll No. 22.

It is, therefore, ordered and adjudged that the said Jimmie Bell is entitled to be enrolled as a citizen by blood of the Creek Nation, in accordance with the provisions of the Act of Congress approved April 26, 1906 (34 Stats., 137), and the application for his enrollment as such is accordingly granted.

- Q: Does she live in Tulsa? A: She used to but now I think she lives in Oklahoma.
- Q: Who was present when this child was born? A: Mr. Vandenvender.
- Q: The Doctor? A: Yes sir, Mr. and Mrs. Vandenvender.
- Q: Is he a physician there in Tulsa?
- A: I don't know, I haven't seen him for a long time, he was then.
- Q: He was at the time the child was born? A: Yes sir.
- Q: Was anybody else present when India was born?
- A: My sister was there.
- Q: What is her name? A: Nancy Jefferson.
- Q: Is she living? A: Yes sir.
- Q: Where does she live? A: I don't know where they live now, I think they are living at Tulsa, they were living at Broken Arrow.
- Q: Was anybody else present? A: No.
- Q: What was your name before it was Burgess? A: My name was Scott.

- Q: When were you married to him? A: 1903.
- Q: In 1903? A: Yes sir.
- Q: Is he the father of this child, India? A: No sir.
- Q: Didn't you, in conversation here in the office the other day, not under oath, state that he was the father of this child? A: Well, I guess I did.
- Q: Well what did you mean by that if it is not so? Have you any explanation to make of that contradiction?
- A: How is that?
- Q: You now state that he is not the father; the other day you stated he was----have you any explanation to make of that contradiction? A: I guess so.
- Q: What is your explanation---how do you explain it---why it was that the other day you said that he was and now you say he is not? A: Well he was my husband.
- Q: You have not married anybody else since you married Burgess in 1903, have you? A: No sir.
- Q: Have you lived continuously with Tyler Burgess ever since you were married to him? A: Why no, he was sent to prison.
- Q: To the penitentiary? A: Yes sir.
- Q: Where? A: Fort Leavenworth.
- Q: When? A: I don't remember when it was, it was about 2 years ago.
- Q: After you had been married about a year is that right?
- A: No, we were married about 3 or 4 weeks I guess when he was sent up there.
- Q: How long since he has been out of the penitentiary at Leavenworth? A: About 8 months.
- Q: If that is a fact, then he couldn't possibly have been the father of this child India, could he? A: No sir.
- Q: Why did you say so the other day then, have you any explanation to make? A: I guess not.
- Q: Well who is the father of India Burgess? A: Noah Frank.
- Q: Is he living? A: Yes sir.

- Q: Where? A: Sapulpa, I guess.
Q: Did you live with him at any time while your husband was in the penitentiary? A: No sir.
Q: Do you now state that this child is an illegitimate child? A: Yes sir.
Q: When was it born? A: January 9.
Q: What year? A: 1906.
Q: How do you happen to remember that date Mrs. Burgess--is there anything that helps you to remember it, any circumstance of any kind? A: Remember what date?
Q: When it was born? ---The exact date it was born on? A: I guess I can remember it, I have sense.
Q: That is not so easy a thing to do, Mrs. Burgess, that is over a year ago, isn't it? A: Yes sir.
Q: Did you write it down in any book or anything? A: No I had sense enough to remember it.
Q: But your remembrance is what we are talking about, everybody can't remember things that happened a year ago.
A: I ain't everybody though.

Questions by Z. T. Walrond, attorney for applicant.

- Q: Explain why you fix that date---explain why you say it was that particular date when it was born?
A: Well I know when it was born, that is all I can tell you.

Questions by Commissioner:

- Q: That is the only reason you can tell, is it? A: Yes sir.
Q: What day of the week was it born on Mrs. Burgess?
A: I don't remember.
Q: Was it born in the day or in the night time?
A: In the night.
Q: Do you remember about what hour? A: No sir.
Q: Was it born before midnight or afterwards?
A: Before midnight.
Q: Before midnight and after sun-down is that right? A: Yes sir.
Q: How did it come that Doctor Vandenvender was there, he didn't live with you, did he? A: No sir.
Q: Did you send for him? A: Yes sir.
Q: Who went for him? A: Nancy I believe.
Q: Your sister Nancy? A: Yes sir.
Q: Do you know how far she had to go to find him? A: No sir.
Q: She didn't telephone for him, did she? A: No sir.
Q: Now Mrs. Burgess how long did this child live? A: About a month and three weeks.
Q: What day of the week did she die on, do you know?
A: Sunday.
Q: Are you sure of that? A: Yes sir.
Q: Did you have a doctor when it died? A: Yes sir.
Q: What doctor did you have? A: Dr. Vandenvender.
Q: He was present when she died, was he? A: Yes sir, both of them, Mr. and Mrs. Vandenvender.
Q: What time of the day did she die? A: She died at 8.30 that night.
Q: 8.30 Sunday night? A: Yes sir.

- Q: Did you bury her on Monday then? A: No, we buried her on Tuesday.
- Q: What was the cause of her death, do you know?
- A: Spinal Meningetis, I think.
- Q: What day of the month was that-- the Sunday that she died?
- A: March 4th.
- Q: Are there houses right around that house where that child was born? A: Yes sir.
- Q: Did it die in the same house it was born in? A: Yes sir.
- Q: And people came in and visited you while it was alive?
- A: Yes sir.
- Q: Can you give us the names of some neighbors that saw that child die? A: Mrs. Harrold.
- Q: Anybody else? A: Mr. Harrold.
- Q: Was Noah Frank present when this child was born?
- A: Yes sir, I guess he was.
- Q: He was right there in the house at the time this child was born, was he? A: Yes sir.
- Q: Did he ever acknowledge this child as his? A: Yes sir.
- Q: Told you that it was his child, did he? A: Yes sir.
- Q: Now Mrs. Burgess you can write your name, can't you?
- A: Yes sir.
- Q: I will ask you to look at this affidavit (showing witness original application for the enrollment of this child) and ask you if this is your writing?
- A: Yes, that is my writing.
- Q: You wrote that, yourself? A: Yes sir, I don't know who put that writing there, that is not my writing.
- Q: You wrote that "Nora Burgess"? A: Yes and also "Scott".
- Q: But this word "formerly" that is between Burgess and Scott who wrote that? A: I don't know who wrote that.
- Q: How does it come that this "Scott" and "Burgess" are so far apart if you didn't write that word "formerly"?
- A: That is not my writing, don't you think I know my writing. I always write the word "ne".
- Q: Do you think he erased that word "ne" and put "formerly" in.
- A: I don't know, that is not my writing. I always write "ne".
- Q: Do you think he erased that word "ne" and put "formerly" in?
- A: I don't know, that is not my writing.
- Q: Did you sign this before a Notary Public, named Haley?
- A: Yes sir.
- Q: Did he swear you to that? A: Yes sir.
- Q: Was this child living at the time you signed this affidavit?
- A: I think not.
- Q: You think the child was dead at that time? A: Yes sir.
- Q: If that is the case, why didn't you tell the Notary Public that the child was dead, so he could put that in?
- A: I don't know.
- Q: It is a fact Mrs. Burgess that the first knowledge we had that this child was dead was when you came in on yesterday.
- A: Yesterday was Sunday, wasn't it?
- Q: Yesterday was Monday? A: I wasn't here on yesterday. I was here on Saturday.
- Q: You came in here on Saturday and that is the first time we knew that the child was dead.
- A: Well I don't know---they fixed that up and I didn't know whether they knew it or not.
- Q: Who fixed it up? A: Mr. Haley and Mr. Grimes.
- Q: Who is Mr. Grimes? A: A lawyer in Tulsa, I guess.
- Q: Has he been tending to this application for the enrollment of this child? A: I guess so, you see his name on there.

- Q: Lawyer Grimes lives in Tulsa? A: Yes sir.
- Q: His name don't appear on the application any place, but we have a letter from him written June 6, 1906---in fact we have two letters, and we have another one from him, September 22, 1906 in which he states that Noah Frank is the father of that child.
- A: I wasn't in Tulsa I guess when he wrote that, I was in Broken Arrow.
- Q: You say you were not in Tulsa, you have since then returned to Tulsa, have you? A: Yes sir.
- Q: Now on Saturday when you were in here and said your husband Tyler Burgess was the father of that child, you also said that "they"--meaning, Grimes and others, fixed it up and you knew nothing about it, didn't you?
- A: I guess so--if you all have got it down, I guess I said it.
- Q: We didn't take down any testimony-- a note was made of your conversation.
- Q: Then when you were in here, in the conversation you were asked if Noah Frank was the father, and you said, "you guess so--they ought to know" by them, you meant Grimes and others? A: Yes sir. You see the Creek Indians can't talk plain---they have to say, "I guess so or I think so or something".
- Q: Who buried this child, Mrs. Burgess, did you have an undertaker? A: No sir.
- Q: Did you have a coffin? A: Why of course.
- Q: Where did you buy it or was it made? A: I bought it.
- Q: Do you know where? A: Why yes.
- Q: Where? A: At Mobrey & Winering.

Questions by Z. T. Walrond, attorney for applicant.

- Q: You say your sister was present at the birth of this child?
- A: Yes sir.
- Q: Where does that sister live now? A: I don't know where she lives, she might live at Broken Arrow, or at Tulsa, I don't know. She lived in Broken Arrow the last time I seen her.
- Q: How long since you saw your sister? A: About three weeks.
- Q: Is she married or single? A: Married.
- Q: What is her husband's name? A: Jefferson.
- Q: Why do you say she lives either at Broken Arrow or at Tulsa, why do you say she lives sometimes at one place and sometimes at another--what are the facts?
- A: Well they are here and there, that is all I know.
- Q: What is her husband's business? A: Nothing.
- Q: He is a loafer, is he? A: Yes sir.
- Q: What was your maiden name before it was Scott? A: Perryman.
- Q: Whose daughter are you? A: John Perryman's.
- Q: Where does he live? A: Tulsa.
- Q: Is he an enrolled citizen of the Creek Nation? A: Yes sir.
- Q: What was your first husband's name? A: Scott.
- Q: What is his first name? A: Andy Scott.
- Q: Is he living or dead? A: Dead.

- Q: State if after your second husband was sent to the penitentiary, if you instituted a suit against Tyler Burgess for divorce? A: No sir.
- Q: Wasn't a suit instituted against him? A: No sir.
- Q: It was never tried, but wasn't there an action against him? A: Yes sir.
- Q: That suit was never tried? A: No sir.
- Q: You were never divorced from Tyler Burgess? A: No sir.
- Q: It was while this divorce proceeding was pending that you took up with this fellow, Noah Frank was it? A: Yes sir.
- Q: While that was going on? A: Yes sir.

Questions by Jay P. Farnsworth, representing M. L. Mott,
attorney for Creek Nation.

- Q: Was Noah Frank present when the child died? A: Yes sir.
- Q: Have you any other children? A: No sir.

(Statement by J. P. Farnsworth, representing Creek Nation)

(The Creek Nation requests the Commissioner not to deliver the deeds until it has an opportunity to investigate this matter further)

Questions by Z. T. Waldron, attorney for Applicant.

- Q: I will ask you what became of your children by Scott? A: They are all dead.
- Q: How many children did you have by Andy Scott your first husband? A: Three.
- Q: What were their names? A: Lou, Ida and Nancy.
- Q: How many of those children were enrolled? A: Two.
- Q: You say they are all dead? A: Yes sir.

George W. Adams, being first duly sworn by Henry G. Hains
a Notary Public, testified as follows:

Questions by Commissioner:

- Q: What is your name, age and post-office address? A: George W. Adams---Tulsa, Indian Territory--Age, 43.
- Q: Do you know Mrs. Burgess here? A: Yes sir.
- Q: How long have you known her? A: I have known her for something like two years.
- Q: Have you continued to know her during the year 1906? A: Yes sir.
- Q: Did you know her during that time? A: Yes sir.
- Q: You are no kin to her or to her husband, nor are you the father of her child, are you? A: No sir.
- Q: Did you live anywhere near her during the first part of 1906? A: Yes sir.
- Q: How close? A: I don't know how close, but I would see her there two or three times a week, sometimes it would be a week.
- Q: Were you present when her child India Burgess was born? A: No sir.
- Q: Did you ever see it alive? A: Yes, I have.

- Q: Do you know when it was born? A: I do not know exactly when it was born.
- Q: When was the first time you ever saw it? A: Well about somewhere before the first of March, 1906, I saw the child. She brought the child out, we were out to her house and she brought the child out and showed it to I and Mr. Hill.
- Q: You don't know what date that was? A: No, only it was somewhere before the 1st. of March, 1906.
- Q: How is it that you fix that date, that it was somewhere before the first of March, 1906? A: Because I know it died about March, I seen her after that and she said the little child was dead. It was a strong looking child and was growing when I saw it.
- Q: You were not present when it died? A: No sir.
- Q: Nor when it was buried? A: No sir, I heard it was dead, but it was bad weather and I didn't go there when it was buried.
- Q: Can you swear positively that you saw this child in March 1905? A: No sir, I couldn't. I saw it in February. We were out there and she was carrying the child around with her and she brought it and showed it to us.
- Q: From the best of your recollection, you think it was in February when she brought the child and showed it to you?
- A: Yes sir.
- Q: You say it was after that when you heard it was dead,--- when was the first time you heard it was dead?
- A: I couldn't state the date. She was up town one day and looking bad and said her little child was dead.
- Q: Was that in February? A: No sir.
- Q: Was it in March? A: Well I couldn't say/ it was afterwards.
- Q: Have you any interest in this case whatever? A: No sir, I have not. She was living in a house I rented, at the time the child died. At that time I rented the house I own the house now.
- Q: Do you know when you first rented that house to her?
- A: No, I don't remember now whether I gave her a receipt or if she gave me a receipt, I forget even when she paid me the money, I know she paid Twelve dollars and a half rent.
- Q: How many times did she pay that, do you know?
- A: No, I forget how long she lived there, it was sometime.
- Q: Did she pay by money or by a check? A: It was paid in checks. Sometimes in money and sometimes in checks.

Questions by Jay P. Farnsworth, representing M. L. Mott,
attorney for Creek Nation.

- Q: When did she move out of the house, do you know?
- A: No, I couldn't say.
- Q: Are people living in the house now? A: No sir.

Nora Burgess, recalled, testified as follows, to-wit:
recalled by Attorney for Creek Nation.

Questions by Jay P. Farnsworth, representing attorney for
Creek Nation.

- Q: Where did you bury this child? A: Tuokabatchee.

- Q: How far is that from Tulsa? A: Nearly about a mile and a half.
- Q: Which way? South.
- Q: Is there any head-stone or mark on the grave to show when it was buried? A: No, I don't believe there is.
- Q: Did you buy a lot? A: No sir, we don't have to buy from the Indians like we do from anybody else.
- Q: Who dug the grave, do you know? A: My father and my brother.
- Q: What are their names? A: Sanford Perryman and Tecumsah Perryman.
- Q: Where do they live? A: In Tulsa. He lives in Broken Arrow but he is now in Tulsa, sick.

This is all the evidence taken in said cause on said date.

Dear Madam:

You are requested to write this office at an early date and state the name of the father of your minor child, India Burgess, born January 9, 1906, as a citizen of the Creek Nation. It is necessary to identify said father before the rights of said child to enrollment in the Creek Nation can be adjudicated, and you are requested to state his name and if he is a citizen of the Creek Nation you should furnish his roll number as same appears on his deeds or allotment certificates to land in the Creek Nation. This matter should receive your prompt attention.

Respectfully,

Commissioner.

Tulsa, Ind.Ter.Sept.22,1906.

Commissioner to the Five Tribes,
Muskogee, Ind.Ter.

Dear Sir:

Your letter of the 20, inst. addressed to Nora Burgess has been received. Mrs. Burgess does not now reside at Tulsa but she has informed me that Noah Frank, a citizen of the Creek Nation is the father of India Burgess, who was born January 9, 1906. He has an allotment two miles NE of Bixby, I.T., but I am uninformed as to the number of his enrollment.

If this information is not sufficient, kindly let me know at once and I will go over and get the information in any other form you suggest but I am the above facts are her statement as she made them to me.

Truly yours,

Chas.W.grimes.

Muskogee, Indian Territory, December 30, 1906.

Nora Burgess,
Care of Noah Frank,
Tulsa, Indian Territory.

'Dear Madam:

You are hereby advised that on December 18, 1906, the Secretary of the Interior approved the enrollment of your minor child, India Burgess, as a citizen of the Creek Nation, and that the name of said child appears upon the roll of minor citizens by blood of the Creek Nation enrolled under the Act of Congress approved April 26, 1906, as No. 272.

This child is now entitled to allotment and application therefor should be made without delay at the Creek Land Office, Muskogee, Indian Territory.

Respectfully,

Commissioner.

Muskogee, Indian Territory, January 28, 1907.

Clerk in Charge,
Creek Land Office.

Dear Sir :--

In compliance with your verbal request of this date, you are hereby advised that India Burgess is prima facie entitled to an allotment in the Creek Nation for the reason that her name appears on a partial schedule of Creek minors by blood approved by the Secretary of the Interior December 18, 1906, opposite roll number 272.

As heretofore advised, however, it has been requested by the attorney for the Creek Nation that deeds be not issued in this case as testimony has been received, throwing doubt on the right to enrollment of said child, since enrollment was approved by the Secretary of the Interior.

Respectfully,

Commissioner.

Subject:
Information relative to death of
Indian Burgess.

Muskogee, Oklahoma, May 12, 1911.

United States Indian Superintendent,

Union Agency, Muskogee, Oklahoma.

Sir:

It appears from the testimony submitted in the matter of the enrollment of India Burgess, deceased, minor Creek citizen, Roll No. 272, that the coffin in which she was buried was purchased of Mobrey & Winering of Tulsa, Indian Territory, (now Oklahoma) on or about March 6, 1908, and inasmuch as there appears to be some question as to whether said India Burgess was entitled to enrollment, this office desires to ascertain, if possible, the date on which the coffin was purchased.

You are therefore requested to direct Mr. J. H. H. Cobb, District Agent at Sapulpa, Oklahoma to examine the books of Mobrey & Winering of Tulsa, Oklahoma and ascertain and furnish this office with the date on which the coffin was purchased for the burial of said India Burgess.

This coffin in question was probably purchased by either Nora Burgess or her husband Tuler Burgess or by Noah Frank.

Respectfully,

Dear Madam :--

You are hereby advised that on February 28, 1907, the Secretary of the Interior approved the enrollment of your minor child, Leslie Richard, as a citizen by blood of the Creek Nation, and that the name of said child appears upon the roll of new born citizens by blood of the Creek Nation, enrolled under the Act of Congress approved April 26, 1906, as number 431.

This child is now entitled to allotment and application therefor should be made without delay at the Creek Land Office, Muskogee, Indian Territory.

Respectfully,

Commissioner.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Lesslie Richard as a citizen by blood of the Creek Nation.

D E C I S I O N.

The record in this case shows that on June 8, 1906, an application was filed, in affidavit form, for the enrollment of Lesslie Richard as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906.

It appears from the evidence that the surname of the applicant and that of the parents is spelled Richards but inasmuch as the evidence shows that the signature appears on the affidavit by mark and the records of this office show that the surname of the parents appears on the Creek roll as Richard, future reference will be made to the said applicant as Lesslie Richard.

The birth affidavit further indicates that the applicant was born June 31 but the inability of the mother to write indicates that she could not observe the clerical error and for the protection of the applicant it is taken to mean that the applicant was born on June 30 or July 1, 1905.

It is further shown in evidence and from the records in the possession of this office that the said Lesslie Richard is the child of Jasper and Minnie Richard, whose names appear on a partial schedule of citizens by blood of the Creek Nation approved by the Secretary of the Interior March 13, 1902, opposite roll Nos. 2671 and 2672 respectively.

It further appears that the said Lesslie Richard was born prior to March 4, 1906 and was still living June 2, 1906.

The Act of Congress approved April 26, 1906 (34 Stats., 137), provides in part as follows:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It is, therefore, ordered and adjudged that the said
Lesslie Richard is entitled to be enrolled as a citizen by
blood of the Creek Nation, in accordance with the provisions
of law above quoted, and the application for his enrollment
as such is accordingly granted.

Waskogee, Indian Territory,

Commissioner.

N.B.C. #332.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Edith March and William K. March, as citizens by blood of the Creek nation.

D E C I S I O N.

The record in this case shows that on June 11, 1906, application was made, in affidavit form, for the enrollment of Edith March and William K. March as citizens by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906, (34 Stats. 137). Testimony was taken in this matter on said date and supplemental affidavits were filed on July 28, 1906, and February 5, 1907.

The evidence and the records in the possession of this office show that the said Edith March and William K. March are the minor children of Willie H. March, a duly enrolled citizen of the Creek Nation, whose name appears on a partial schedule of citizens by blood of the Creek Nation, approved by the Secretary of the Interior on the 4th. day of January 1906, opposite number 10053, and his non citizen wife, Stella March, who also have two children named Gracie and Lloyd March whose names appear on a partial schedule of citizens by blood of the Creek Nation, approved by the Secretary of the Interior January 4, 1906, opposite numbers 10055 and 10056, respectively. The evidence as to the date of birth of Edith March is somewhat contradictory, but it appears from the weight of the evidence that she was born in the year 1901 or 1902 and was living on March 4, 1906.

It further appears that William K. March was born on the 25th. day of September, 1904, and was living on March 4, 1906.

It is, therefore, ordered and adjudged that the applicants, Edith March and William K. March, are entitled to be enrolled as citizens by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906, (34 Stats. 137), and the application for their enrollment as such is accordingly granted.

In the matter of the application for the enrollment of Edith March and William K. March, as citizens by blood of the Creek Nation.

D E C I S I O N .

The record in this case shows that on June 11, 1906, application was made, in affidavit form, for the enrollment of Edith March and William K. March as citizens by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906, (34 Stats. 137). Testimony was taken in this matter on said date and supplemental affidavits were filed on July 28, 1906, and February 5, 1907.

The evidence and the records in the possession of this office show that the said Edith March and William K. March are the minor children of Willie H. March, a duly enrolled citizen of the Creek Nation, whose name appears on a partial schedule of citizens by blood of the Creek Nation, approved by the Secretary of the Interior on the 4th. day of January 1906, opposite number 10053, and his non citizen wife, Stella March, who also have two children named Gracie and Lloyd March whose names appear on a partial schedule of citizens by blood of the Creek Nation, approved by the Secretary of the Interior January 4, 1906, opposite numbers 10055 and 10056, respectively. The evidence as to the date of birth of Edith March is somewhat contradictory, but it appears from the weight of the evidence that she was born in the year 1901 or 1902 and was living on March 4, 1906.

It further appears that William K. March was born on the 25th. day of September, 1904, and was living on March 4, 1906.

It is, therefore, ordered and adjudged that the applicants, Edith March and William K. March, are entitled to be enrolled as citizens by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906, (34 Stats. 137), and the application for their enrollment as such is accordingly granted.

In the matter of the application for the enrollment of Jauneta Murrel Clarkston as a citizen by blood of the Creek Nation.

D E C I S I O N.

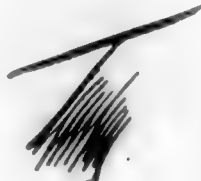

The record in this case shows that on June 27, 1906, application was made, in affidavit form, for the enrollment of Jauneta Murrel Clarkston as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906, (34 Stat. L., 137). Supplemental affidavit of the attending physician was filed on the same date.

It appears from the evidence and the records in possession of this office that said applicant is the minor child of Alex Clarkston, a non-citizen, and Maggie J. Clarkston, who is identified as Maggie J. Burke on a partial schedule of citizens by blood of the Creek Nation approved by the Secretary of the Interior March 13, 1903, opposite No. 1569.

The evidence shows that said child was born April 25, 1905, and was living March 4, 1906.

It appears that the affidavit of the attending physician is somewhat defective, but not void, for the reason that the statements therein made are made under oath.

It is, therefore, ordered and adjudged that the said Jauneta Murrel Clarkston is entitled to be enrolled as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906, (34 Stat. L., 137), and the application for her enrollment as such is accordingly granted.

Dear Sirs :-

I am in receipt of a blank application of which you say must be filled again. Dr. C. W. Paine is not here and I don't know where he is. I got a letter quite a while ago from you saying Jauneta Murrel Clarkston was on file. I thought that was alright thought it was signed by a Notary Public in Texas for C. W. Paine and by E. L. Barber at Red Bird for me. The Notary at Red Bird said it would be alright. I don't know what to do about this application. I can get anyone at Red Bird that was there when the child was born to sign it before the same Notary if that will do. The child is still living yet. She will be two yrs old in April 25, 1907. Let me know what I can do about it and oblige Maggie Clarkston.

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
Roland Tunnell as a citizen by blood of the Creek Nation.

STATEMENT AND ORDER.

The record in this case shows that on June 27, 1906, application was made, in affidavit form, for the enrollment of Roland Tunnell, as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906.

It appears from the evidence filed in this matter that said Roland Tunnell was born June 11, 1903, and is the child of A. R. Tunnell, a non citizen and Leuvise Tunnell, a Creek Claimant.

The records of this office show that said Leuvise Tunnell, was denied citizenship enrollment in Creek enrollment case No. 133, closed finally June 20, 1906.

The Act of Congress approved April 26, 1906 (34 Stat. L. 137) in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother and allotments shall be made to children so enrolled".

It is, therefore, ordered that the application for the enrollment of Roland Tunnell, as a citizen by blood of the Creek Nation, be, and the same is hereby dismissed.

Dear Madam:

In the matter of the application for the enrollment of your minor son, Stephen Wilson, as a citizen by blood of the Creek Nation, this Office is unable to identify you upon the final roll of citizens by blood of the Creek Nation. It is necessary that you be so identified before the rights of your said son can be finally determined. You are therefore requested to immediately inform this Office as to the name under which you are finally enrolled, the names of your parents and other members of your family, the Creek Indian Town to which you belong, and your final roll number as the same appears upon your allotment certificates and deeds.

Your letter of the 15th. inst. to Mary Wilson with reference to the application for the enrollment of Stephen Wilson as a citizen of the Creek Nation has been handed me for reply.

The citizenship of Mary Wilson has not as yet been decided, at any rate no official notice to that effect has been given. She is the sister of Chaney Trent and the daughter of one Richard Atkins. From this you will no doubt be able to determine the status of her case.

Trusting this will afford you the desired information I am,

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Florence Marie Coker as a citizen by blood of the Creek Nation.

DECISION.

The record in this case shows that on June 20, 1906, application was made, in affidavit form, for the enrollment of Florence Marie Coker as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906 (34 Stats., 137).

There is attached to and made a part of the record herein a duly certified copy of a marriage license issued to Robert T. Coker and Myrtle M. Coker.

It appears from the evidence and the records in the possession of this office that the applicant herein was born February 14, 1904, was living March 4, 1906 and is the minor child of Robert T. Coker, an alleged citizen of the Creek Nation, and Myrtle Coker, a non-citizen, and possesses no right to enrollment as a citizen of the Creek Nation not possessed by her parents. It further appears that application was made on May 18, 1901 for the enrollment of the aforementioned Robert T. Coker as a citizen by blood of the Creek Nation; that said application was on January 4, 1902 denied by the Commission to the Five Civilized Tribes, which decision was approved by the Department of the Interior January 24, 1902; that on February 24, 1902 there was filed with this office a motion to reopen the matter of the application for the enrollment of Martha S. Coker, et al, in which case the application for the enrollment of Robert T. Coker is included, which said motion, together with a report recommending a denial of the same, was transmitted to the Department on January 24, 1907.

The Act of Congress approved April 26, 1906 (34 Stats., 137), provides in part as follows:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this

section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It is, therefore, ordered and adjudged that the applicant, Florence Marie Coker, is not entitled to be enrolled as a citizen by blood of the Creek Nation under the provisions of the above quoted Act of Congress, and the application for her enrollment as such is accordingly denied.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Olive Grant Coker and Reba Coker as citizens by blood of the Creek Nation.

DECISION.

The record in this case shows that on July 20, 1906, application was made, in affidavit form, for the enrollment of Olive Grant Coker and Reba Coker as citizens by blood of the Creek Nation under the provisions of the Act of Congress approved April 26, 1906 (34 Stats., 137).

There is attached to and made a part of the record herein a duly certified copy of a marriage license issued to S. G. Coker and Gertrude Odern.

It appears from the evidence and the records in the possession of this office that Olive Grant Coker was born June 1, 1903 and Reba Coker was born June 21, 1904; that both were living on March 4, 1906, and are the minor children of Silas G. Coker, an alleged citizen by blood of the Creek Nation, and Gertrude Coker, a non-citizen, and possess no right to enrollment as citizens of the Creek Nation not possessed by their parents. It further appears that on May 18, 1901, application was made for the enrollment of the aforesaid Silas G. Coker as a citizen by blood of the Creek Nation; that on January 4, 1902 said application was denied by the Commission to the Five Civilized Tribes, which action was approved by the Department January 24, 1902. On February 24, 1906 there was filed with this office a motion to reopen the matter of the application for the enrollment of Martha S. Coker, et al, in which case the application for the enrollment of the aforesaid Silas G. Coker is included, which said motion, together with a report recommending that the same be denied, was forwarded to the Department on January 24, 1907.

The Act of Congress approved April 26, 1906 (34 Stats., 137), provides in part as follows:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of

It is, therefore, ordered and adjudged that the applicants, Olive Grant Coker and Reba Coker, are not entitled to be enrolled as citizens by blood of the Creek Nation under the provisions of the aforesaid Act of Congress, and the application for their enrollment as such is accordingly denied.

In the matter of the application for the enrollment of Delphine Lucas as a citizen by blood of the Creek Nation.

O R D E R .

The record in this case shows that on March 24, 1905, there was filed with the Commission to the Five Civilized Tribes at Muskogee, Indian Territory, the application of Sally Lucas for the enrollment of her minor child, Delphine Lucas, as a citizen by blood of the Creek Nation.

The evidence shows that said Delphine Lucas was born April 1, 1901, and that she was living at the date of the application herein.

The records of this office show that no application was made for the enrollment of said Delphine Lucas as a citizen of the Creek Nation prior to or on September 1, 1904, on which date the rolls of the Creek Nation were closed by order, dated June 13, 1904, of the Secretary of the Interior under authority in him vested by the act of Congress March 3, 1901 (31 Stats., 1058). The act of Congress approved March 3, 1905, (Public No.212), provides:

" That the Commission to the Five Civilized Tribes is authorized for sixty days after the date of the approval of this act to receive and consider applications for enrollment of children born subsequent to May twenty five, nineteen hundred and one, and prior to March fourth, nineteen hundred and five, and living on said latter date, to citizens of the Creek tribe of Indians whose enrollment has been approved by the Secretary of the Interior prior to the date of the approval of this act; and to enroll and make allotments to such children."

It is, therefore, ordered that there is no authority of law for the enrollment of said Delphine Lucas as a citizen by blood of the Creek Nation and that the application for her enrollment as such should be and the same is hereby dismissed.

In the matter of the application for the enrollment of Myrta Sutton as a citizen by blood of the Creek Nation.

JOHN SUTTON, being duly sworn, testified as follows:

BY THE COMMISSIONER:

- Q What is your name? A John Sutton.
- Q How old are you? A Forty.
- Q What is your post office address? A Morris.
- Q Are you a citizen of the Creek Nation? A Just by marriage.
- Q You are a United States citizen? A Yes, sir.
- Q For what purpose do you appear here to-day? A To enroll a child.
- Q What is the child's name? A Myrta Sutton.
- Q Is the child living? A Yes, sir.
- Q Do you know when the child was born? A To the best of my knowledge it must have been born the morning of the 19th of September, 1905.
- Q Do you know ~~anyone~~ who are the child's parents? A No, sir. The parents are not known. On the morning of the 19th of September, 1905, I was informed that a child was found on a wire fence near where I live, near Bald Hill post office. I went to the parties to see something about assisting them about the child and they didn't want the child and my wife asked for it and they gave it to her.
- Q You are raising the child and have it in your custody? A Yes, sir.
- Q What reason have you for believing the child is entitled to rights? A I think, to the best of my knowledge, that it has Indian blood in it. I have been raised among the Indians and I am pretty well acquainted with them and I believe it has Indian blood in it. And another reason is that it was found in the Creek Nation. It was found in this territory on Creek soil. It has never had a thing to do with a non-citizen and I believe this territory should provide for it.
- Q If you do not know who the child's parents are how do you come to the conclusion that the child has Indian blood? A By its looks.
- Q Have you no other reason? A Yes, sir, because I think probably I know whose child it is but I wouldn't dare say. But if it belongs to the ones we distrust it has a right.
- Q It will be necessary for you to state who the parents are? A I would not like to do it for I might have to prove it and I can't do it.
- Q The child's rights cannot be established unless the parents are known? A I couldn't say.
- Q What is the general opinion in the neighborhood as to the parentage of the child? A Well, I don't know whether it is the general opinion but it is the opinion of some that the child's parents are of Indian blood.
- Q Who do you think the citizen parent is, the father or mother? A The father.
- Q The mother is supposed to be a white woman? A Yes, sir, supposed to be.
- Q I would like to have you state who the father of the child is? A I wouldn't like to do it. I might have to prove it. I have a right to my opinion.
- Q State your opinion? A I couldn't say that. I don't want no trouble about it. I just think the father is a citizen.

- Q Do the supposed parents live in your neighborhood? A Yes, sir. Not right near but it is not a great ways.
- Q And you refuse to state the name of the mother? A Yes, sir. I couldn't say. I would hate to say I thought it was any one's child when I do not know. I would hate to come here and say it was yours and you be innocent of it.
- Q Is it an illegitimate child? A Well, I don't know.
- Q Were the supposed parents ever married? A I think so.
- Q Are they living together at this time? A Yes, sir.
- Q The supposed parents are legally married? A I don't know enough about them to say that.
- Q Was this child found near their house? A No, sir.

Witness is advised that this office requires the testimony of the parents of the child and the midwife in attendance at its birth.

In the matter of the application for the enrollment of
Myrta Sutton as a citizen by blood of the Creek Nation.

STATEMENT AND ORDER

The record in this case shows that on June 6, 1906, application was made for the enrollment of Myrta Sutton as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906 (34 Stats.L.137).

The evidence shows that said Myrta Sutton was born about September 18, 1905, and was abandoned on said date; that John Sutton, who has the child in his custody and who made the application herein, if he knew the names of the parents of said child, refused to give such information; and that on January 28, 1907 a communication was addressed to him requesting him to appear and give evidence as to the names of the parents of said child, or, if he still refused to do so, to advise the Commissioner where such evidence could be obtained, but there has been no response either in person or by letter to said communication.

In view of the foregoing I am of the opinion that there is no authority of law for the enrollment of said Myrta Sutton as a citizen by blood of the Creek Nation, and the application for her enrollment as such is accordingly dismissed.

Dear Sir:

June 6, 1906, you made application for the enrollment of Myrta Sutton, as a citizen by blood of the Creek Nation, but refused to disclose who are the parents of said child. Under the testimony given by you there is no provision of law by which this child can be enrolled as a citizen of the Creek Nation.

The act of Congress approved April 26, 1906, provides in part as follows:

"That the rolls of the tribes affected by this act shall be fully completed on or before the fourth day of March, nineteen hundred and seven, and the Secretary of the Interior shall have no jurisdiction to approve the enrollment of any person after said date."

In view of the fact that there is but a short time remaining in which to decide the rights of applicants to enrollment as citizens by blood of the Creek Nation, you are urged to appear before this office at once for the purpose of stating who are the parents of said child. If you continue to decline to give this information, you are earnestly requested to forward at once the names of two persons who you think can testify who are the father

and mother of said Myrtle Satten.

You will please give this matter your immediate attention.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment
of Nellie Owens as a citizen by blood of the Creek Nation.

D E C I S I O N .

The record in this case shows that on May 4, 1905, an application was filed in affidavit form for the enrollment of Nellie Owen as a citizen by blood of the Creek Nation. Said application is herein considered a continuing application for the enrollment of the said Nellie Owens, under the provisions of the Act of Congress approved April 26, 1906. Further proceedings were had August 22, 1905. Supplemental affidavits filed October 9, 1905 and June 19, 1906, are attached to and made a part of the record herein.

The evidence in this case shows that the applicant Nellie Owens is the illegitimate child of an unknown father, and Elva Harris, formerly Elva Owen and commonly known and enrolled as Elva Owens. The records in the possession of this office show that the said Elva Harris is identified under the name of Elva Owens on a partial schedule of citizens by blood of the Creek Nation, approved by the Secretary of the Interior January 8, 1904, opposite roll No. 9739. Future reference to the applicant will therefore be made under the name of Nellie Owens.

The evidence further shows that the said Nellie Owens was born November 15, 1903, and was still living June 15, 1906.

It is, therefore, ordered and adjudged that the said Nellie Owens is entitled to be enrolled as a citizen by blood of the Creek Nation, in accordance with the provisions of the Act of Congress approved April 26, 1906 (34 Stats., L.137), and the application for her enrollment as such is accordingly granted.

Commissioner to the Five Civilized Tribes,

Muskogee, I.T.

Dear Sir:--

Referring to your letter of January, 12th with relation to the citizenship of Nellie Owens in the Creek Nation, permit us to say. Nellie Owens was born sometime about November, 15, 1904, during the summer of 1905, the papers touching her citizenship, containing the birth affidavit of the mother, Elva Owens and the affidavit of the attending physician, Dr. O.F. Starr were mailed to your commission on the last day for such filing and was by a mistake of the Notary Public sent to the Indian Agent. These papers were at once turned over by the Indian Agent to your office and we have since seen them there in the Creek Department. When the new law passed last year extending the rights of filing to new children, we renewed the application for Nellie Owens but did not file a new affidavit of the mother nor of the attending physician as these were both already on file.

This child is the child of Elva Owens and the grand daughter of Martha Owens, both of whom are enrolled citizens of the Creek Tribe of Indians. Elva Owens was, at the time of the birth of the child about sixteen years of age and was a single woman. The father of the child not being known to the public, but the

mother probably being in position to tell who it is. We cannot see, however, that that is material as the proof is positive that it is the child of Elva Owens and gained its citizenship through her, the father probably not being an Indian. With the affidavit of the mother and of the attending physician already in the office of the department and the parties being now scattered it will put us to a great inconvenience to duplicate them which we very much desire not to do if it can be avoided. The mid-wife for the child, Nellie Owens was Ellen Ellison. This woman had been twice married and was sometimes known as Ellen Davis who may have made affidavit in the department as Ellen Davis. This woman died at Roma and her affidavit cannot be secured again. Dr. O.F. Starr removed from here to Leander, Wyoming, and the last we knew of him was at that place.

If the Department insists upon having new affidavits from him, it is possible that we can procure it.

You requested that Elva Owens appear at the office of the Commission within five days, to be examined under oath touching this matter. Permit us to say that Elva Owens, now Elva Harris, has an infant child and at this time is in poor health and it will probably be impossible for her to get to Muskogee within five days, but if the department insists upon her coming, if the period can be reasonably extended to twenty or thirty days an effort will be made by us to get her there.

Please let us receive your instructions with reference to the entire matter.

Yours respectfully

DEPARTMENT OF THE INTERIOR,

In the matter of the application for the enrollment of
Lucy Nero as a citizen by blood of the Creek Nation.

STATEMENT AND ORDER

The record in this case shows that on June 28, 1906, application was made, in affidavit form, supplemented on said date by oral testimony, and on June 29, 1906 by further affidavits, for the enrollment of Lucy Nero as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906.

It appears from the weight of the evidence filed in this matter that said Lucy Nero was born February 14, 1904 and the evidence shows that she died October 22, 1904.

The Act of Congress approved April 26, 1906 (34 Stat. L. 137) in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee, or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It is therefore ordered that the application for the enrollment of Lucy Nero as a citizen by blood of the Creek Nation, be, and the same is, hereby dismissed.

In the matter of the application for the enrollment of Amanda Pauline Leidecker, as a citizen by blood of the Creek Nation.

STATEMENT AND ORDER.

The record in this case shows that on June 28, 1906, application was made, in affidavit form, for the enrollment of Amanda Pauline Leidecker, as a citizen by blood of the Creek Nation, under the provisions of the Act of Congress approved April 26, 1906.

It appears from the evidence filed in this matter that said Amanda Pauline Leidecker was born November 4, 1905, and is the child of F. G. Leidecker, a Creek claimant, and Arvilla Leidecker, his wife, a non citizen. The records of this office show that the application for the enrollment as a citizen of the Creek Nation, of the said F. G. Leidecker, was dismissed August 22, 1906, in Creek enrollment case No. 1006.

The Act of Congress approved April 26, 1906 (34 Stat. L. 137) in part provides:

"That for ninety days after approval hereof applications shall be received for enrollment of children who were minors living March, fourth, nineteen hundred and six, whose parents have been enrolled as members of the Choctaw, Chickasaw, Cherokee or Creek tribes, or have applications for enrollment pending at the approval hereof, and for the purpose of enrollment under this section illegitimate children shall take the status of the mother, and allotments shall be made to children so enrolled."

It is, therefore, ordered that the application for the enrollment of Amanda Pauline Leidecker, as a citizen by blood of the Creek Nation, be, and the same is, hereby dismissed.
